

CITY OF BURLEY

INVITATION FOR BIDS

The City of Burley, of 2020 Parke Avenue, Burley, Idaho 83318, invites the submission of sealed bids for milling asphalt and for the furnishing and placement of asphalt overlay (hot mix) for city streets.

Bids will be received for the following project:

1. Mill the start/stop lines for the project. The milling will take place on East 5<sup>th</sup> Street at the locations designated by Brent Mallory. Approximately 768 square feet of asphalt will be milled but the milling will be billed and paid by the total square footage actually milled. Bids shall include all costs to clean and prepare the surface in preparation for overlay.
2. Furnish and apply Asphalt tack (PG-58-28) at a rate of 0.25 gal/SY and 6 oz. fabric. The approximate application area for the asphalt tack is 87,000 square feet. The asphalt tack will be billed and paid by actual number of square feet where the asphalt tack has been applied at the direction of Brent Mallory.
3. Furnish, place and compact one two inch (2") lift of asphalt meeting the specifications of IDOT Class III, ½" mix at the direction of Brent Mallory along the specified location on East 5<sup>th</sup> Street, Burley, Idaho. The approximate area to be overlaid is 87,000 square feet. The Overlay will be billed and paid for the actual area overlaid. The city of Burley reserves the right to extend project quantity by 20% depending on the budget availability and bid price.

4. Performance bonding is required for this project. All bids must include any cost for the performance bond.

The mix design shall be submitted and approved prior to placement. The contractor shall provide the traffic control which shall meet current MUTCD standards. All other inputs and incidentals for the project are to be included in the bid.

Bids will be received at the City of Burley Service Center at the address above until 11:00 a.m., on Monday, May 1, 2017, at which time all bids will be opened. Bidding instructions and specifications together with other desired information may be obtained from the City of Burley Service Center through Road Director, Brent Mallory, telephone number (208) 431-5426.

The City of Burley reserves the right to reject any or all bids, to waive any informality in the bids, and to accept in whole or in part such bid or bids as may be deemed in the best interest of the City of Burley.
