Dear Rick:

Congratulations on being named one of the top fleets in the Americas. You have done the right thing for the right reasons.

To put your achievement in perspective, there are over 38,000 public fleets in North America alone...and thousands more in South America.

Your efforts are having an immediate and impressive effect on the economy. You have demonstrated your commitment to society.

To me, you are unsung heroes. Thank you. You lead by example. We have the best government services but need to prove it constantly. Your outstanding application reflected fresh thinking with new ideas. You are helping to create the future for Fleets in the Americas.

Sincerely,

Tom C. Johnson
