Apartments	\$45.50 per Unit
Modular or Trailer Homes	\$45.50 per Unit or Separate Structure

Large Commercial	\$45.50 plus BOD, COD, TSS, NUTRIENT RATE, FOG per 1000 gallons of metered water
Equivalent Dwelling Unit (EDU) = 1 to 7 employees	\$45.50 per EDU

Industrial Facilities:

EDU for each person after 7 employees will be calculated on a percentage basis. For example, 10 would be 1 EDU plus 3/7 of an EDU. Each full EDU is \$45.50. Our example cost would be \$45.50 + \$19.50 = \$65.00. So, after employee 7, each employee would be 1/7 of \$45.50 or .14 of \$45.50 to be \$6.37 per person.

BUSINESS RATES

Each sewer customer in classes 1-6 shall be charged a monthly cumulative flow rate, BOD rate and TSS rate set forth in the following chart per 13,000 gallons of metered water usage during the winter period, or (i) a minimum charge of (\$46.50). The average monthly water meter readings the consecutive month of November, December, January, February, and March shall be the basis for sewer billings for (12) twelve-month period beginning July 1 and ending June 30, immediately following such winter months.

<u>Legacy Pass</u>	
<p>Legacy Customers are those that have purchased the adult unlimited, couples unlimited, or adult portion of the family pass at the regular posted rate for the three most recent consecutive years.</p> <p>Legacy Customers will be locked in at the posted rate paid during the third qualifying year for a period of five additional years.</p> <p>At the end of the initial five-year period and at the end of each successive five-year period, the Legacy Customer's new rate will be adjusted to 5% discount off of the current posted rate and locked in for an additional five-year period.</p> <p>The Legacy Customer must renew their pass each year to maintain the legacy designation. If the customer fails, for any reason, to renew their pass during a year then they will lose their legacy designation and the next time they purchase a season pass, it would be at the current posted rate.</p> <p>After losing the Legacy Customer status, the customer may only re-establish their Legacy designation by purchasing a season pass for an additional three consecutive years at the posted rate for each year.</p>
